

## HSE Letter of Undertaking

1. I hereby undertake that I will not put anyone's life/health at risk at Özyeğin University, including faculty, staff, students or visitors,
2. I will comply with the on-campus rules of hygiene, health, safety and environment, which are also announced via posters across campus, and actively contribute to the HSE culture,
3. I will obey the rules of collective life on campus, and adopt respect and empathy as the basic approach to others,
4. I will protect natural life and green areas within the borders of Özyeğin University and its dormitories,
5. I will use the waste oil containers and eco-friendly sorting waste bins placed across campus and the dormitory area to help sort and recycle the waste I produce on campus or in the dormitories,
6. I will not smoke indoors or within the smoking free zones designated with green lines, nor will I disturb others, regardless of whether or not they smoke,
7. I will fulfill my part in meeting the necessary security requirements when accessing campus or the dormitories,
8. I will adhere to traffic signs and signage placed in parking facilities, and I will observe the speed limit on-campus,
9. I will take responsibility of the guests visiting me on campus or in the dormitories, and I will keep them from putting neither themselves nor our stakeholders at risk within the University premises, and if such a situation occurs, I will be personally held responsible,
10. I will report any emergency using the nearest emergency phone or contacting the HSE Department in person,
11. I will never damage, tamper with, or disable emergency alarms and response equipment on campus,
12. I will comply with the emergency response plans which set out the actions to take under different emergency scenarios ranked based on their level of severity, and I will attend the drills organized on campus.
13. I will embrace and contribute to all kinds of sustainability activities organized on campus.
