The Design Workshop under the title of "Istanbul As An Endless Place Of Urban Articulation" will take place between January 17-20th, 2019 at Ozu-X as a part of The 4th IAPS-CS Network Culture & Space Meeting. The Design Workshop aims to introduce an urban inquiry articulated on discourse, action, construction, and revelation within the context of Istanbul's layered structure. In this framework workshops invites architecture, design and fine arts undergraduate students to

Editorial

We, as the editorial board of OzU FAD Bulletin, wish a happy and successful year in 2019. Bulletin has been completed second year with this issue. We thank all of the members of Özyeğin University, Faculty of Architecture and Design for their kind support to share their activities and news to be published in the bulletin.

The new group of events in the following months will realized in the Faculty of Architecture and Design. "IAPS Culture and Space Network 4th National Meeting "İstanbul as an Endless Urban Articulation Place"" will be held at January and February 2019 with article selection, workshops, idea contest, symposium/colloquium. IAPS Culture and Space Network 4th National Meeting is organized and dedicated as one of the Özyeğin University' s 10th Year Anniversary events. We would be like to thank IAPS Culture and Space Network Coordinator Prof. Dr. Hülya Turgut for this group of big events.

New ERASMUS student and staff exchange agreements with University of Palermo, University of Parma and University of Saragosa were signed between these universities and Özyeğin University by the attempts of Assoc. Prof. Alessandro Camiz. Now we had 24 ERASMUS and Global Exchange opportunity for our students at undergraduate and graduate levels and for staff exchange issues from 14 different countries. We had two incoming exchange students from South Korea Kookmin University in this academic year. 15 students of Özyeğin University Faculty of Architecture and Design were outgoing exchange students in 2018-2019 Fall Term. They will spend one term in the universities that we had exchange agreements.

New five-year strategic plan of Özyeğin University is going to be start by the Spring Term of 2018-2019 with 210 metric and goals at 7 different key areas. These 7 key areas are defined as: Outside stakeholders, inside stakeholders, undergraduate education, graduate education, research, knowledge transfer

develop a critical discussion, suggestions, manifestos and dialogues on the boundaries and possibilities of urban articulations through various seminars, movie screenings and different workshop activities. For more information:
