Summer Session Tuition

The summer session is optional for students. Undergraduate courses offered during the summer session are charged per credit. Tuition per credit is 1/60th of the annual tuition payable by students based on their tuition waivers. Students pay the applicable tuition calculated based on the total credits of the courses they take during the summer session. English Preparatory Program students who plan to take courses in their respective levels during the summer session are required to pay only half of the applicable semester tuition based on their tuition waivers. However, the summer session tuition is waived for students who started the English Preparatory Program at the "A2" level and successfully completed the "B1" level by the end of the Spring semester in their first academic year. These students may attend "B2" level courses free of charge during the summer session.
