Course Registrations for Graduate Students

Current graduate students must complete their course registrations themselves via the SIS (<http://sis.ozyegin.edu.tr>) during the course registration dates and time slots. It is strongly recommended that students give priority to the following courses in order not to extend their period of study.

- Required courses previously failed (“C-“, “D+“, “D“, “F” / “U”)
- Required courses previously withdrawn (“W”)
- Previous semesters’ courses not taken
- Current semester courses (by giving priority to courses that are the pre-requisites of a higher number of required courses)

Courses Offered

Courses offered, course instructors are available both on the OzU website and on the Student Information System (SIS). On the OzU website, please click the ECTS Course Catalog and Courses Offered pages to display courses offered, course instructors.

Thesis / Project / Seminar Courses

In master’s with thesis and doctorate programs, each student is assigned with a thesis advisor with the resolution of the Graduate School Executive Board. Should the thesis project require more than one advisor due to its nature, a second thesis advisor may be assigned. Advisors are changed pursuant to the consent of the current advisor and approval of the Graduate School Executive Board.

In master’s degree programs without thesis, each student is assigned with an instructor who will provide guidance on the term project at the latest by the end of the first semester as per the resolution of the Graduate School Executive Board. Registration to thesis courses is completed by Student Services.
