OzU: International University

850+ international students from 70 different countries

Erasmus+

Global Exchange

139 Erasmus, 36 Global Exchange and 15 international partnership agreements with 150+ institutions from 39 countries:

- Since 2015, 585 OzU students benefited from Erasmus+ and Global Exchange programs.
- Since 2015, 194 international exchange students have been hosted.

International Exchange Programs - I

OzU believes that internationalization enhances the quality of education and research and aims to create an environment that provides multiple opportunities for intercultural exchange.

OzU adopts a comprehensive [internationalization policy](#):

- **Multicultural study environment**
- **Student and employee mobility**
- OzU does not discriminate students, faculty and staff members based on sexual orientation, religion, age, race, color, gender identity, national /ethnic origin, creed or disability.
- **All academic programs are offered in English**, except for the Faculty of Law, which offers a number of courses in English/German that are available for international exchange students.
- **International collaboration**: 190+ agreements signed with more than 150 HEI's in 39 countries

[\(click here to review the full list\)](#)

- OzU International Office, Exchange Program Coordinators and buddy students offer **academic, personal and cultural support** to all incoming exchange students.

International Exchange Programs - II

Support Services for Incoming Students

- We **monitor incoming students closely** and provide them with local **buddy students** to ensure that they get the additional support they may need throughout their stay.
- IEP and Exchange Program Coordinators offer **academic, personal and cultural support** to all incoming exchange students.
- **OzU Int'l Students Club** represent international students, and provides opportunities for cultural understanding and self-development under the principle of «students helping students».
- We also provide **comprehensive support services** to exchange students including airport pick-up on official arrival date, assistance on residence permit applications, guaranteed on-campus accommodation, orientation, cultural trips and excursions.
- Our **closed campus** provides a **secure and warm** environment where students can realize their academic, social and cultural interests in a short commuting distance from several city centers and attractions.

Library

OzU library heavily make use of educational technologies in pursuit of serving its patrons 24/7 with its 60,000 printed books, over 430.000 e-books, and more than 139.000 e-journals. Constantly developing its technological facilities and e-collections, the library endeavors to present top notch electronic information resources to its users.

Dormitories

- OzU Campus dormitories are home to our 2626 students.
- Rich array of housing options provide a **warm, safe and home-like atmosphere**.
- Situated in a walking distance to the academic buildings.
- Rooms are equipped with a fridge, for 1 to 4 persons with or without bathrooms.
- Wide range of amenities for common use including individual or group study rooms, lounges and guest rooms, TV rooms, cafeterias, health centers, security, ambulance service and ATMs. **Free services also include 24/7 hot water, laundry/cleaning and Wi-Fi.**
- **International students** are given priority in housing assignments. School shuttle buses provide transportation from OzU campus to several destinations throughout the city.

Sports @OzU

Physical education and sportive activities complement our students' physical and social development during their intensive academic studies. These activities are highly valued at Özyeğin University and are an integral part of academic and social events.

OzU Sports Teams represent Özyeğin University in national and international public and private tournaments/athletic events with its more than 30 women's/men's teams in different categories.

Summer School

Summer term is the third semester period of Ozyegin, offering courses from all faculties.

Summer sessions last up to eight weeks; typically seven weeks of lecture followed by a week of exam period.

Credits taken during the Summer School are equivalent with the credits taken during the fall and spring semesters.

With almost 15 million residents, **Istanbul offers an unparalleled experience to its visitors, short or long term, with its rich history, architectural variety and artistic dimension.** Istanbul is a vibrant city with a wide range of activities 24/7: concerts, festivals, high quality world cuisine and local restaurants, and internationally celebrated museums and exhibitions. Istanbul is also the financial and industrial capital of the country, playing a significant role in regional trade and cross-border relations.

Safety @OzU

- OzU Campus is situated in a safe location, located 40 minutes drive away from the city center.
- The **Emergency Call Center is open 24/7** and can be contacted by all OzU members & students.
- On the university premises, including the dormitories and faculty buildings, uniformed security members serve on all gates checking ID's and vehicles.
- To ensure the campus safety, the surveillance of public areas is a significant component of OzU campus, which is monitored by the chief security members abiding the protection of personal data law.
- OzU Health & Safety and Environment (HSE) Unit is responsible for the management of system standards pertaining to on-campus health, safety, and environment systems.
