<p>The City</p>	<p>ISTANBUL: A historical, vibrant city</p> <p>In Istanbul, you can explore the city once known as the capital of capital cities, having served as the axis upon which the Roman, Byzantine and Ottoman Empires revolved. It has been the home to more than 120 emperors and sultans over a span of 1600 years, and there are still remnants of their former wealth and glory scattered throughout the city: palaces and villas, churches and mosques, fountains and theaters, private schools, and bathhouses.</p> <p>Today, from the depths of this historical Istanbul, a new, modern, dynamic Istanbul has been born. Alongside ancient minarets and Roman city walls have emerged shiny shopping malls, skyscrapers, and residences; integrated amongst the narrow streets and cobbled walkways are bars and nightclubs ringing out the latest music sensations and featuring the newest fashion trends. With a population of over 15 million spread across two continents, it is a city that never stops evolving.</p> <p>Istanbul is also the financial and industrial capital of the country, playing a significant role in regional trade and cross-border relations. Being an OzU exchange student will allow you to experience a wide range of historical, cultural, and architectural aspects of Istanbul. Also, you may take a look at the UNESCO World Heritage Sites in Türkiye:</p> <p>http://whc.unesco.org/en/statesparties/tr</p>
