

Syllabus Mandatory Internships for Students of the Faculty of Business

The mandatory internships at Özyeğin University Faculty of Business allow you to put your knowledge from your classes into practice, by doing internships in public or private companies. These internships give you experience that improves your theoretical, practical and personal development.

General Information

- Mandatory internships are a graduation requirement for the undergraduate programs in the Faculty of Business. Like with normal courses, you receive ECTS credits for these internships. Full-time or part-time employment is not counted as mandatory internship. The university pays for your social security premiums during your mandatory internships. Next to mandatory internships, we encourage you to engage in other internships that contribute to your personal development. However, for such internships you do not receive ECTS credits.
- **It is your own responsibility to find an internship.** The Professional Development Office may provide guidance on how to do this and may alert you to internship opportunities.
- You need to complete at least 8 weeks (40 business days, and 3 ECTS) of mandatory internships in public or private companies. In addition to this, you need to either complete a 1 ECTS certificate program or an additional 4-weeks (20 business days) of internship.
- You can do internships in a single organization, or in two or three different organizations (possible combinations: 1x8 weeks, 1x12 weeks, 4+4 weeks, 4+8 weeks, 8+4 weeks, 4+4+4 weeks).
- Internships are administered with the following course codes:
 - BUS 311: 4-week initial internship (1 ECTS)
 - BUS 312: 4-week follow-up internship (2 ECTS)
 - BUS 313: 4-week optional follow-up internship (1 ECTS)

Note: Students do not register for these courses. Instead, all grades and credits are entered by the Student Services upon the approval of the successful completion of the internships.

- The University covers social security premiums up to maximum 60 business days (12 weeks). In case the company asks you to extend your internship or approves your request to work for more than 60 days, the company is required to cover the social security premiums.

Pre-requisites for Internships

- You need to successfully complete SEC 201 and SEC 202 before you can start mandatory internship.
- You need to take BUS 311 either before or together with BUS 312 (co-requisite).
- You need to take BUS 312 either before or together with BUS 313 (co-requisite).
- It is best to complete your second year core courses before doing the initial internship (BUS 311).
- It is best to complete some core electives of your specialization before doing a follow-up internship (BUS 312 or BUS 313). The more knowledge you have, the more valuable the internship will be to you and to the company.
- In case of doubt, please contact your academic advisor.

What to Do Before the Internship
