

- **How many credits do I need to complete to graduate from my double major program?**
Double major students must have completed at least 306 (240+66) undergraduate credits in total in order to be eligible for graduation from their secondary majors. Please click [here](#) to see the rules for graduation from double major programs.
- **I have completed all of the requirements of my double major program but I failed to complete 306 credits in total. How can I complete my remaining credits?**
If you double major in Business Administration, you may complete the remaining credits with the courses from the “Program Electives Pool” or “Specialization Areas Electives Pool”. If you double major in a program other than Business Administration, you must complete 66 credits in total with the courses from the “Program Electives Pool” of your secondary major.
- **How many credits do I need to complete to graduate from my MINOR program?**
MINOR program students must have completed at least 270 (240+30) undergraduate credits in total in order to be eligible for graduation from their minor programs. For the rules for graduation from MINOR programs, please [click](#) the following tabs: Faculty of Business > Academic Programs > Your Academic Program > Undergraduate (B.A.) Program > MINOR.
- **I am a student at the Faculty of Engineering. I am double majoring/minoring in one of the undergraduate programs of the Faculty of Business. I took MATH 103 and MATH 104 in my primary major. Can I have these courses counted towards the graduation requirements of my DOUBLE MAJOR/MINOR program?**
Yes. You can have MATH 103 and MATH 104 counted towards MATH 101 and MATH 102, respectively. For applications, please contact the [Faculty Administrative Secretary](#) at the Faculty of Business.
- **I am a student at the Faculty of Engineering. I am double majoring/minoring in one of the undergraduate programs of the Faculty of Business. I took MATH 215 and MATH 216 in my primary major. Can I have these courses counted towards the graduation requirements of my DOUBLE MAJOR/MINOR program?**
Yes. You can have MATH 215 and MATH 216 counted towards MATH 201 and MATH 202, respectively. For applications, please contact the [Faculty Administrative Secretary](#) at the Faculty of Business.
- **I am a student at the Faculty of Engineering. I am double majoring/minoring in one of the undergraduate programs of the Faculty of Business. I took IE 342 and IE 325 in my primary major. Can I have these courses counted towards the graduation requirements of my DOUBLE MAJOR/MINOR program?**
Yes. Provided that you took and passed both IE 342 and IE 325, you may have these courses counted towards BUS 201. For applications, please contact the [Faculty Administrative Secretary](#) at the Faculty of Business.
- **Can I transfer from the DOUBLE MAJOR program to MINOR program?**
Yes, you can. For applications and more information, please contact the [Faculty Administrative Secretary](#) at the Faculty of Business.
