FAQ Linnaeus University Summer Academy 2017 - SWEDEN

Linnaeus University Summer Academy started in 2014. The first year about 130 students participated in the programme and for 2016 the numbers have increased to 220 students from 38 countries. Linnaeus University invites its partner Universities to send students to participate in the Summer Academy, under our regular exchange agreement.

Dates:

Arrival days: July 3-6

Orientation days: July 7-8

Course dates: July 10 – August 11

Final exams: August 9

Summer Academy Ceremony: August 10

Day of departure: August 11

Location:

Kalmar, Sweden

Linnaeus University Summer Academy brochure:

- [Online](#)
- [Pdf](#)

Course offerings and prerequisites:

A number of courses comprised of 7,5 credits (ECTS) are offered and they are to be found at Summer Academy [Webpage](#). All courses are equivalent to full time studies and the students will follow one (1) of the courses. Courses are offered on undergraduate and graduate level and prerequisites (entry requirements) are listed under each course. Swedish language is offered as a separate full-time course and cannot be combined with other courses. Please note that there are a limited number of places on each course and that the courses are filled on a first come first serve basis.

Application Deadline:

Application deadline is April 1, 2017. Please note that seats to courses are distributed based on application date. We therefore recommend students to submit their applications as soon as possible upon receiving the application instructions.

Application:

The student will fill out the on-line application and will need to attach;

- Transcript of records in English
- Language Proficiency Report or the equivalent if English is not the native language (Separate form is sent to the student)
- A copy of the passport photo page

Students need to rank three courses (according to preference) in the application of the ones that are offered. We cannot guarantee that all students will get their first choice but we will do our best to accommodate the course choices.

Fees:

Nominated students from selected partner universities study at Linnaeus University Summer Academy under tuition waiver. Other costs as for rent, food, literature, social activities, etc. are to bear at the cost of the student. An estimated budget is found here:

Item	5,5 weeks
Food	2,500
Accommodation	6,000
Course literature	700
Other costs	1,700
Total SEK	10,900

(Please note that the field trips that are arranged during weekends are not included in the fees).

Acceptance:

Proof of Admission (letter of acceptance) will be sent to the partner University approximately two weeks after the application deadline.

Residence Permit:

All students without a EU/EEA citizenship have to apply for a residence permit/visa for Sweden. As soon as the student has received the acceptance to Linnaeus University Summer Academy, the application process should start, contact your nearest Swedish embassy or consulate for more information.

Welcome and Orientation Programme:

The Welcome and Orientation Programme will be held during the week of the official arrival days. Orientation will provide practical and academic information. The social programme will offer both enhanced knowledge about Swedish culture and society as about the city of Kalmar and its surroundings (a guided tour is included). It will also serve as a great opportunity to get to know your fellow students at the Summer Academy. The social programme offers organized day-trip in Kalmar with surroundings, outdoor/sports activities and cultural events, opportunities to meet with local businesses etc.

Study and Explore Field Trips and Tours:

Linnaeus University Summer Academy will arrange optional trips during the weekends. For instance to the island of Öland, a bus-tour through the Kingdom of Chrystal to the birthplace of Carl Linnaeus and to the headquarters of IKEA corporations, and a three days-trip to the capital Stockholm. 2016 the total cost of the four arranged trips was approximately SEK 3 200.

Accommodation:

All exchange students participating in Linnaeus University Summer Academy are guaranteed accommodation on the condition that the application is completed prior to the deadline. Admitted students will be informed to submit a housing application where the preferred accommodation type is selected. Rooms are then distributed on a first come, first served basis (we cannot guarantee that all students will get their preferred choice of accommodation).

Please see our [Webpage](#) for more information concerning the accommodations.

Arrival:

A pick-up service will be provided during the official arrival days upon student's arrival in Kalmar. A student will meet up at the airport or train station provided that the incoming student has informed us of the arrival date and time. Upon arrival to the University the student will receive keys to their accommodation as well as information about the stay prior to being taken to the accommodation.

Credits:

The courses are credit based and a transcript of record will be produced provided that the students complete their course work and pass the examination.

Student services:

The University will have the necessary services open during the Summer Academy. The Summer Academy has its own staff that is available for the students.

Academic transcripts:

Will be sent to the home University approximately four weeks after the end of the Summer Academy.

European Summer Program at the [Université Catholique de Lille](#). - FRANCE

Since 2001, more than 90 partner universities from 28 different countries have entrusted us with more than 2000 of their students. The **2017 European Summer Program** will take place in June and July in **Lille, France**.

The **European Summer Program** is designed for international students looking for a short study abroad experience in Europe. We offer sessions both in June and in July, with a trend in the last couple of years of students staying with us for both sessions.

The program offers courses in and across various disciplines, for which students may transfer credits back to their home university if they so wish.

A comprehensive hospitality package is included, with accommodation as well as cultural activities such as French film nights and day trips to Bruges and Brussels.

Please find the direct links to our [brochure](#), [flyers](#) and [posters](#) for the 2017 edition of the European Summer Program at the Université Catholique de Lille.

For summer 2017, we offer a large variety of programs with options taught in English, across the fields of:

- **Art, Social Sciences, and Business**
- **Science and Engineering Program** focused on innovation, sustainable development, and renewable energy

NEW: in both sessions, possibility to choose between a program fully taught in English OR including an intensive French language course

NEW: course options spread over the 2 months to allow a more in-depth introduction and more credits

Law program focused on transatlantic comparative law : **NEW:** open this year to Undergraduate students both in June and in July with a French component

NEW: 2 main topics: European Union Policy Making and Transatlantic Comparative Law

- ...and a **French Only program** with options taught in French for a complete linguistic immersion :
NEW: courses for students with French levels (CEFR) from A2- to B1+ or B2+

The *Université Catholique de Lille* is proud to join the commemorations of the WW1 Centenary, offering relevant field trips and, in both sessions, an elective entitled “In Flanders Fields: The Great War in History and Film.”
